For KIDS For THE MEDIA

Annotation

**Feature - Flash Business Rules:**  
**Need fields for:** image, title and description for each feature.  
**Business Rule:**  
 Character count should be a max of 250 characters for all text fields and store not part of CMS.  
**Note: Special Initiatives**  
 presents a quick link to the various theme-based programs and the content are editorially driven.  
**Business Rules:**  
 There is a max of 10 Special Initiatives.  
**Shop link on Header Navigation** should links to Asia Store Highlights (6.3)  
**Note: Topic for Discussion**  
 This section is editorial driven and pull quotes from most interesting threads.  
**Note: Events/Webcasts tab**  
 Events tab is the default when the user visits the homepage. The user can toggle between the Events and Webcast tab. This section is editorially driven. If there is a live webcast, the first item listed in the Events tab will promote the live webcast and link to the webcast page in a pop up window managed manually by AS. The Webcast tab will also promote the live webcast. If there is no live webcast, the Events tab will promote the top event and the webcast tab will promote the top upcoming webcast.  
**Business Rule:**  
 Display 5 upcoming events, soonest first. Default = all types, worldwide. Pull from Calendar Database.  
**Note: View Event Tool**  
 Runs queries from Calendar system, great! Filters should be shown in this order: Location | Event Type | Topic  
**Business Rule:**  
 Video module- If possible, first editorially selected, 2-3 others are automatic by date.  
**Note:**  
**RSS Feed-** Feed should be combined all channels.
