Annotation

Note:
Special Initiatives descriptive text should be editable.

Podcasts
Podcast (page and RSS feed) will be pull in 3 most recent items from existing podcast RSS feed.

NOTE FOR JOSH:
Listen Now = audio player

Notes: Topics of Discussion
This is editorially determined.

NOTE FOR JOSH:
AS would like to choose active discussion threads from within the Admin. It would be great if we could dynamically show how many comments are in each thread (135).

Student or Education-related contents
is a flexible module in which AS can highlight any student, teacher, or kids-related contents.

Business Rule:
Character count should be a max of 250 characters for all text fields.

Note:
Nice to keep double-wide touts at bottom, but title ("Students") should be flexible so admin can use as needed.

Tickets links to Box Office page; **Membership** links to Membership and **Make a Donation** links to Make Donation page.

Most Popular
displays the most recent article viewed in the last seven days. This is automated.

Poll
Once a user selects the vote button, a results box will show all users input. Business Rule: There is a max of 4 options. The call-out can be turn on and off. It also features the ability to turn Poll on/off as needed.
