## Annotation

### Business Rules:

All features are automated based on latest added to CMS.

### Business Rule:

Character count should be a max of 250 characters for all text fields EXCEPT Short description of the section should be 600 characters.

### Rule for Main Featured Content (above the fold)-

could be from any Media Hub Article.

**Rule for Podcast:** display the most 3 Podcasts.

**Rule for For the Record:** link to Press Releases index page + display the most 3 recent Press Release.

**Rules for Top Stories-** Curated by AS. **Today's Stories, Special Events and Museum** should pull the image from the most recent story. If there is no image, no images appears.

### Rules for Opinions & Analysis:

AS to have the ability to tag throughout the site articles as Op-Eds. Most recent Op-Eds will populate the Media Hub landing. Index page is a full listing of all Op-Eds throughout the site.

**Rules for Join & Meet:** No index page, each title links to individual page. AS to curate. It is also the only section on the page to include descriptive text.

### Notes:

RSS feed for all landing pages.

### Note:

**In The Spotlight-** Flexible box -- all content editorially curated. AS should be able to feature and link to anything we want in this space.
